

5-Star Automatic Nozzle

5-Star "S" Automatic Nozzle

The 5-Star is a lightweight automatic gasoline nozzle that is ideal for full and self service locations. One hand hold open clip with patented "Kicker" which provides positive clip release with automatic shut off.

The 5-Star "S" has a pressure activated secondary shut off that prevents the fuel flow until the pumping system is operating and will automatically close when the pump is turned off. The 5-Star "S" is ideal for prepay locations.

M. Carder performance advantages

- Micro Touch Valve for precise flow control
- Pure Teflon stem packing eliminates leaks
- Roto-Matic Latch Pin for smoother auto shut off
- SmartGuard Snap-On scuff guard
