

Alloy steel forgings for high-pressure manifold and treating connections, such as cementing, fracturing, and acidizing. Employs a double seal that combines an elastomeric gasket with a metal-to-metal connection.

Specifications

Brand	Catawissa
Type	Hammer Union
Connection Type	NPT Threaded End
Nominal Size	1-1/2 in
Nut Material	Steel Forging
Subs Material	Steel Forging
Subs Color	Silver
Nut Color	Yellow
SUB CWP	6000 psi
NUT Test	9000 psi
Product Number	0838503964
UPC Code	66242890960
HPH Code	NA
Weight	19.75 lb
