

Alloy steel forgings for high-pressure manifold and treating connections, such as cementing, fracturing, and acidizing. Employs a double seal that combines an elastomeric gasket with a metal-to-metal connection.

## Specifications

<b>Brand</b>	Catawissa
<b>Type</b>	Hammer Union
<b>Connection Type</b>	NPT Threaded End
<b>Nominal Size</b>	2 in
<b>Nut Material</b>	Steel Forging
<b>Subs Material</b>	Steel Forging
<b>Subs Color</b>	Silver
<b>Nut Color</b>	Yellow
<b>SUB CWP</b>	6000 psi
<b>NUT Test</b>	9000 psi
<b>Product Number</b>	0838504004
<b>UPC Code</b>	66242890961
<b>HPH Code</b>	NA
<b>Weight</b>	32.28 lb
