

Mercedes Benz Portable Pressurized Oil Dispenser

Balcrank
Fluid Dispensing Systems

The self-contained portable air pressurized unit is designed for easy dispense of any fresh oil with no need for any pumping device. It is ideal for small shops that have a need for a self-contained totally mobile unit. To operate, you pressurize the tank with compressed air, and you are ready to dispense.

Max pressure is 116 psi (8 bar)

Includes 6.5 gal tank, sight gauge, 5' clear dispensing hose. The metered version comes with the 3330-159 DR Control handle.

Fluids

- Synthetic and mineral based lubricants
- Gear oil
- Transmission fluid
- Hydraulic fluid

Applications

- Small automotive dealerships
- Quick lube
- Transmission centers
- Independent garages
- Tire shops
