

## C720 Twister Swivel

The Twister Swivel from Catlow raises the level of swivel flexibility with two 360-degree, rotating swivel planes. Special seals protect this heavy-duty swivel from extreme cold weather conditions and are designed for blended fuels.

Catlow's Twister Swivel provides customers with the best quality and rotation flexibility on the market.

### Features and Benefits

- > UL/ULC listed
- > Lightweight and maintenance free
- > Minimal-flow restriction
- > Fluorosilicone seals perform to -40°F for cold weather conditions
- > Mates with all 5/8", 3/4", and 1" hoses
- > Does not add to total hose length
- > Both swivel joints have double O-rings allowing maximized sealing
- > Two 360-degree swivel rotation in the middle joint and male end for full-range rotation
- > BSPP and BSPT threads available upon request
- > 12-month warranty

## Technical Data

Construction	
Swivel Elbow	Cast Aluminum
Swivel body	Cast ZA -12 Zamak
Bearing	Nylon
Seals	Viton and Fluorosilicone

Ordering Specifications: Twister Swivel	
Model Number	Description
C720 3/4	3/4"M x 3/4"F
C720 1 x 3/4	1"M x 3/4"F
C720 1 x 1	1"M x 1"F
