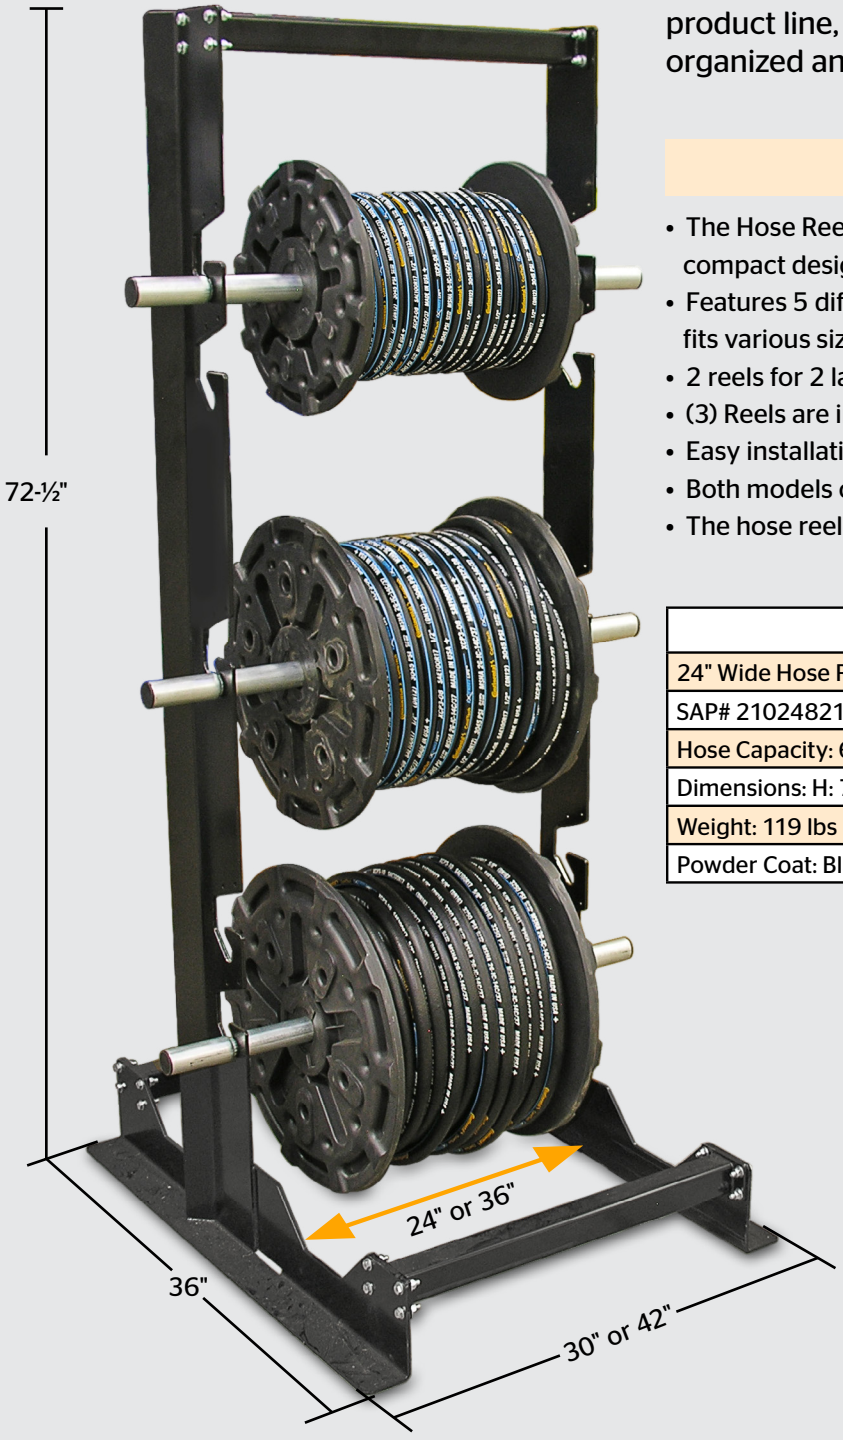
Hose Reel Rack

Continental introduces a new product from its extended product line, the Hose Reel Rack to keep the hose spools organized and secured.



HOSE REEL RACK FEATURES

- The Hose Reel Rack is made of heavy-duty steel and comes in 2 compact designs 24" and 36" wide to accommodate your needs.
- Features 5 different positions for customizable configurations that fits various sized hose spools.
- 2 reels for 2 larger hose spools, or 3 reels for 3 smaller hose spools.
- (3) Reels are included (additional reels are available).
- Easy installation and hardware is included.
- Both models come in a black powder coat finish for durability.
- The hose reel rack can be bolted to the floor for maximum stability.
