

# Product Specifications

1C486121

FILTER ELEMENT, M 0120 ULTRAPLEAT

## Attributes

|                                          |                               |
|------------------------------------------|-------------------------------|
| Connection Type                          | DF Connection                 |
| Diameter                                 | 2.56 inch (65 mm)             |
| Efficiency 99.999%                       | 0.01 micron                   |
| Element O-Ring Material                  | Viton®                        |
| Element Model                            | M                             |
| Element Size                             | Size 0120                     |
| Element Type                             | DF                            |
| End Cap Material                         | Fiberglass Reinforced Polymer |
| Length                                   | 5.91 inch (150 mm)            |
| Maximum Operating Temperature            | 149 °F (65 °C)                |
| Media Type                               | Borosilicate                  |
| Inner Core Material                      | 1.4301 / 304 Stainless Steel  |
| Oil Aerosol Retention Rate (ISO 12500-1) | 99.4 Percent                  |
| Outer Core Material                      | 1.4301 / 304 Stainless Steel  |
| Recommended Replacement Interval         | 8000 Hours                    |

---

## Packaged Dimensions

|                 |                                              |
|-----------------|----------------------------------------------|
| Packaged Length | 6.30 inch (16.002 cm)                        |
| Packaged Width  | 2.76 inch (7.010 cm)                         |
| Packaged Height | 2.76 inch (7.010 cm)                         |
| Packaged Weight | 0.40 lb (0.181 kg)                           |
| Packaged Volume | 0.03 ft <sup>3</sup> (0.001 m <sup>3</sup> ) |

---

## Other Information

|             |           |
|-------------|-----------|
| NMFC Code   | 069100-13 |
| UNSPSC Code | 40161505  |

The information contained herein is general in nature and may not reflect actual information regarding the part at time of shipment. Parts may originate in more than one country – the actual country of origin and HS Code will be reflected on the Commercial Invoice(s) that accompanies the goods.
