

## JuiceNet Account Activation Form

### Welcome to JuiceNet! `

The purpose of this form is to gather the information that will help us to set up your smart charging stations on the JuiceNet network optimized for your needs.

To get started:

1. Submit JuiceNet Account Activation Form below to [commercialsupport@evcharging.enelx.com](mailto:commercialsupport@evcharging.enelx.com)
2. After you submit this form, you will receive an email confirming your form submission. Our team will then review this form and follow up with you directly if more information is needed, or send you a JuiceNet Account Activation email. Open that email to complete your account activation and start using JuiceNet.
