

# 15 GALLON PORTABLE FUEL STATION

HANDLING  
FUEL

The new Fuel Station is UN/DOT approved for the transport of gasoline by motor vehicle and to gravity dispense fuel into gas powered portable equipment, vehicle fuel tanks or other approved containers.

Built with safety the number one priority, this Steel Portable Fuel Station has been vigorously tested for leakage, rupture, stability, abuse and endurance. It was specially designed to be bolted into a trailer for those needing to transport fuel.
