

Duct adapters and unit diffusers use magnetic connection vs. wing nuts

- ✓ Faster to connect
- ✓ All duct adapters and Premier 170 unit diffuser compatible with the 2.0 and legacy heater designs
- Premier 80 2.0 must be paired with 2.0 unit diffuser and will be labeled to indicate 2.0. Active Premier 80 unit diffuser products include:
 - 132902, Unit Diffuser for Premier 80 2.0 with magnetic connection
 - 26349, Unit Diffuser for Premier 80 with magnetic connection (since Feb. 2020)
