

**NEW**

# SUN BLAST HD™ Radiant Heater

## NO ELECTRICITY? NO PROBLEM.

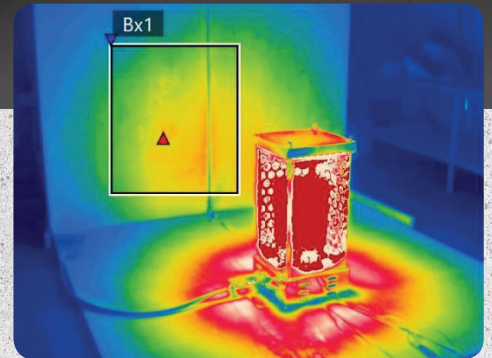

- ✓ Start & operate without electricity
- ✓ Consistent, even 360° heat pattern
- ✓ Heats objects like the sun — no heat loss due to air flow

### Rental-ready operation & maintenance.

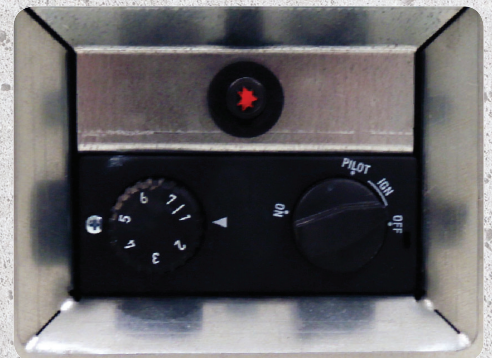

- Easy piezo pilot ignition with manual light option
- Fuel efficient 7-setting thermostat and modulating gas valve
- Safe with built-in tilt switch
- Convenient quick-connect hose fittings
- No fuss filterless design

### Fleet tough. Fleet flexible.

- Heavy-duty body made from 16-gauge galvanized steel
- Enclosed, recessed controls prevent damage
- Option to hang during operation to free-up floorspace
- Stacks for storage and transportation

Lab-tested even heat pattern

7-setting thermostatic controller
