

Get Your Backup Master Code for Your Biometric Padlock

To Retrieve Your Lock's Unique Backup Master Code

1. Open the package
2. Locate the Instruction sheet
3. Retrieve your Activation Code shown in the upper left corner of the instruction sheet
4. Download the Master Lock® Vault® Home app and follow the instructions to register your padlock with your activation code
5. The Master Lock Vault Home app will retrieve your Backup Master Code and automatically store it in your Master Lock Vault Home account
