

Electric diaphragm self-priming pump without any dynamic seals. Suitable for aggressive fluids transfer like DEF-AdBlue®.

Art. 098-6500-230 Electric diaphragm pump for DEF-AdBlue®
230V 50Hz 40 l/min

Duty cycle: 20 min
Housing: Polypropylene
Diaphragm: EPDM
Check valve: Viton
Check valve spring: stainless steel 316
Motor shaft: stainless steel 316
Switch ON / OFF
Rubber holder fitting F1" Ø 20
2 m cable with socket Schuko

Art. 098-6500-115 Electric diaphragm pump for DEF-AdBlue®
120V 60Hz 40 l/min

Duty cycle: 20 min
Housing: Polypropylene
Diaphragm: EPDM
Check valve: Viton
Check valve spring: stainless steel 316
Motor shaft: stainless steel 316
Switch ON / OFF
Rubber holder fitting F1" Ø 20
2 m cable with socket USA
