

HEAT YOUR MATERIALS FAST

PERFORMANCE

Maximum Power allows you to reach higher temperatures in a shorter time, Saving you Time and Money.

PROTECTION

High-grade thermal insulation to reduce heat loss and increase efficiency while providing protection for the product and the operator.

FULL COVERAGE

High-temperature, chemically resistant silicon shell for demanding applications

EASE OF USE

Flexible jacket fitted with adjustable retaining straps and quick release buckles, so its easy to install and un-install.

EVEN HEAT

Delivers even heat over a large surface area, preventing damage to your materials

MELT SOLID MATERIALS QUICKLY

- Heats Materials +12°F/hour
- Ideal for melting solids
- Includes thermostatic controller(s), which allows you to adjust temperatures from ambient up to 212°F/100°C (+_10°F/6°C)
- Two independently controlled

When you need to melt your solid materials in a hurry, look to Powerblanket Xtreme High Temp Heating Jackets to bring all the heat you need for the job. Whether you are melting wax, oils, or something else, this powerful drum heater gets the job done quick.

BRING THE HEAT

MAXIMUM POWER

HEAT YOUR DRUMS AND MATERIALS FASTER AND REACH HIGHER TEMPERATURES

SET & FORGET

FLEXIBLE HEATER CONFORMS TO THE DRUM AND PROVIDES OPTIMAL THERMAL COUPLING

RUGGED DESIGN

BUILT TO LAST NO REGULAR MAINTENANCE REQUIRED.

STANDARD SIZE

AVAILABLE FOR 55 GALLON (200 LITER) DRUMS. CUSTOM SIZES AND FEATURES CAN BE DESIGNED UPON REQUEST.

“

MIKE ROBERTS, MANAGER HOWARD MARTEN FLUID TECHNOLOGIES

Powerblanket drum and bucket heaters are a drastic improvement over the original band heaters we used to offer. With Powerblanket products we no longer have to worry about overheating or unpredictable thermostats. The Powerblanket Technology provides uniform heat throughout the entire barrel of product which is paramount to what we do. Powerblanket products are very durable, look great, and are the only heaters we will offer our customers.

POWERBLANKET XTREME® 55 GALLON (200 LITER) HIGH TEMP DRUM HEATERS

Powerblanket Xtreme High Temp Heating Jackets offer another level of heating for your drums and materials. The higher power in this product allows you to reach higher temperatures fast, while the full coverage, rugged shell and insulation provide reduced heat loss and even heat without burning your materials like band heaters often do.
