

WONDERBOX

SINGLE-HOSE FLUID MANAGEMENT SYSTEM

ELIMINATE MANUAL TRACKING & AUTOMATE YOUR PROCESS

TECALEMIT's Wonderbox Fluid Management System offers a single-hose fueling point and is designed to alleviate manual tracking and prevent inventory losses.

The Wonderbox securely monitors the transfer of liquid applications to help minimize inaccuracies. It's time to stop relying on handwritten notes and, instead, rely on the automation offered with the Wonderbox.

Both the hardware and software are easy to set up and operate.

Export and transfer data through your choice of WiFi, LAN, USB, or our cloud-based platform, MYTECALEMIT™.

Tracking and monitoring your fluid transactions has never been easier.
