

LUBE/OIL PRO-5000

MOBILE BULK TRANSFER PACKAGES

PORTABLE SYSTEMS TO GET YOU WHERE YOU NEED TO GO

ALSO AVAILABLE FOR ANTIFREEZE

TECALEMIT's Lube/Oil Pro-5000 system is user-friendly and gives the user increased mobility to use the product. The mobile setup offers an alternative solution to provide customers with lubes/oils at a moment's notice. The system's positive displacement pump features proprietary technology unlike anything else offered in the market. It features a new standard for performance in the pump industry. The patented "wiper blade" vanes and tri-lobe impeller design offer superior flow rates and performance.

NOW FEATURING DIXON'S LATEST PUMP TECHNOLOGY!

- LOW AMPERAGE DRAW
- DRY-RUN DURABILITY
- DRY-VACUUM CAPABILITY
