PACK RAT®

SIMPLIFIED SECURITY

If one key goes missing,
the crew's still covered

DURABILITY THAT DELIVERS

Redesigned for maximum security
and zero maintenance headaches

VERSATILE AND SEMI-CUSTOMIZABLE

Adjustable partitions, heavy-duty top
surface, and expanded size options

Visit **WEATHERGUARD.COM**
for more information

**BUILT FOR FLEETS.
ENGINEERED FOR
PERFORMANCE.**

FEATURING

1KEY 
ULTRALOCK™

ONE SYSTEM. ONE KEY. TOTAL CONTROL.

From single-unit installs to national fleets, the PACK RAT delivers secure, high-capacity storage that reduces downtime, simplifies key management, and keeps valuable gear locked down across every vehicle.

SAFETY GRIP STRIPS

Anti-skid strips provide traction to prevent top-loads from sliding in transit

14-GAUGE STEEL BUILD

Heavy-duty, in-bed storage built from 14-gauge steel

Up to 40% more secure capacity vs. comparable competitive drawer systems

PROFESSIONAL TOUGH ADAPTABILITY

Pro-grade strength and engineered to adapt with adjustable and removeable partitions

1KEY ULTRALOCK™

Automotive grade lock comes standard on every box because security isn't an optional accessory

VERSATILITY

Bolt down generators or heavy-duty gear directly to the flat, level top—or stack additional Pack Rats for maximum storage

ENGINEERED FOR PEAK PERFORMANCE

Upgraded rollers and a redesigned locking mechanism deliver smoother operation and rock-solid security—built to outperform and outlast

ERGONOMIC HANDLE

Integrated full width ergonomic handle with maximized drawer extension gives you safe, efficient access to every inch of storage
